WEALTH MANAGER MAGAZINE RANKS SEIA IN SEVENTH ANNUAL “TOP DOG” REPORT

Los Angeles – December 6, 2007 – Signature Estate and Investment Advisors, LLC[®] (SEIA), a boutique wealth management firm that has \$1.3 billion of assets under management (AUM) as of June 30, 2007, is ranked in Wealth Manager Magazine’s Seventh Annual “Top Dog” Report. This is the fifth consecutive year that SEIA has been listed in the influential report, which ranks wealth managers according to their high-net-worth clientele base.

SEIA is one of the highest assets under management (AUM) firms listed, ranking it within the top 100 firms in the report. But despite its impressive \$1 billion-plus AUM, SEIA uniquely distinguishes itself from the pack by its relatively low client minimum. Although Top Dog reports that the medium client minimum is from \$1 to \$35 million, SEIA’s client minimum is only \$500,000 – distinctively demonstrating the firm’s wide range of clientele.

What further distinguishes SEIA in the report is its extensive level of client relationships. While Top Dog finds that the medium client relationships is 158, SEIA is reported as having 1,200 – nearly eight times more than the average firm listed. That’s because SEIA strategically generates much of its referral business from extended family wealth as well as a broad mix of client estate planning attorneys, CPAs and business managers.
