

Our plan sponsors and participants are taking advantage of unique SEIA advisory education offerings.

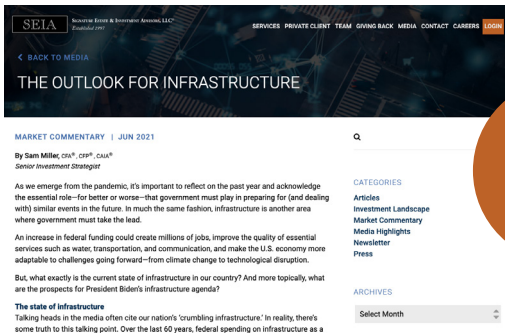

WEBINARS

SEIA hosts several series of complimentary webinars touching on various topics. Presenters have included thought leaders at SEIA as well as industry experts at Legg Mason, Schwab and Fidelity.

ONE-ON-ONE CONVERSATIONS

Our financial advisors at SEIA are ready to answer our plan participants' questions on allocation of investments, how much to invest, Roth vs. Traditional IRAs, outside retirement assets and more.

THOUGHT LEADERSHIP ARTICLES

SEIA offers a robust library of published Market Commentary and Investment Landscape articles online.

[The Outlook for Infrastructure »](#)

QUARTERLY PARTICIPANT E-NEWSLETTERS

We create an newsletter email for participants each quarter, covering an important retirement topic. The email also reminds participants that SEIA is here to help with any retirement related questions. This helps plan sponsors to continue to stay in touch with participants even if they are working remote.
